A leading global association of independent
accounting and business advisory firms

Whatever your business, we can help you take advantage of global opportunities and operate efficiently, secure in the knowledge that BKR International members are looking after your business interests.

The Power of a Global Association... With a Personal Touch

Your business needs require personal attention as well as topnotch expertise. In short, you want the best of both worlds and you can have both – when you partner with BKR International. BKR International is a leading global association of independent accounting and business advisory firms providing personalized solutions to your everyday issues, whenever and wherever they may arise.

As an established firm dedicated to our local business community, we offer the commitment to individualized attention that you deserve. And thanks to our membership in BKR International, we offer the expertise only a worldwide association of accounting professionals can offer – opportunities to explore new landscapes, make new connections, and gather critical business information.

BKR firms offer a unique combination of personalized local service and close-knit connections, as well as the expertise of a global association. Just like a passport helps you cross national and international borders, BKR helps you eliminate barriers to expanding your business. We deliver the highest quality accounting, tax, and consulting services, providing clients with the resources and advice necessary to operate throughout the region, across the country, and around the world

High Standards of Performance and Quality Control

Firms selected for membership in BKR International are known for high standards, creative expertise, and local influence. By maximizing resources and capabilities, member firms enhance and expand their services, providing professional advice designed to help clients achieve their unique objectives, both locally and worldwide.

BKR firms adhere to and uphold the highest professional and ethical standards as required by their local regulatory authorities – maintaining rigorous standards of excellence throughout the world.
